

PLAS DINAS
COUNTRY HOUSE

WEDDING INFORMATION PACK

Congratulations on your engagement!

Thank you for considering Plas Dinas Country House as your wedding venue. Whether it's a civil partnership or a marriage, our aim is to make it as special and memorable as possible.

Our experience and organisation before the big day mean you get to enjoy the day in full without having to worry about a thing as everything just happens as planned automatically in the background.

We only hold a few weddings here a year so they are as special to us as they are to you.

We generally cater for small intimate gatherings of up to 26 (if you only require a ceremony followed by a drinks and canapé reception, we can cater for up to 60).

If you have any questions after reading this pack, please get in touch.

The next stage would be to show you round the house and discuss your plans in more detail so we can produce a quote for you.

We look forward to hearing from you.

The Service

Our large and elegant Drawing Room is licensed for up to 60 guests. It is the ideal setting for an intimate and romantic wedding ceremony. It has an open fire and several sofas that can be used by some of your guests to enjoy the ceremony in comfort.

The Grounds

We are set in 15 acres with numerous excellent spots for photos including panoramic sea views, farm land, mountains, and a graduated terrace for group shots.

Daytime Wedding

It is possible to take the house over just for the day without overnight accommodation. For this option, we require you to have a service around 12 noon. This would usually be followed by a drinks and canapé reception on our terrace while you have your photos taken around our beautiful grounds. A sumptuous meal will then be served in the Dining Room followed by coffee and further drinks back in the Drawing Room. The hire of the house would end at 4:00pm.

Exclusive Use

Taking the house on an exclusive use basis enables you to have a mid to late afternoon service, followed by a leisurely meal and drinks into the evening. All your guests can stay at the house or in one of our cottages in the grounds and enjoy our locally sourced breakfast the following morning. Exclusive use gives you the benefits of a wedding service at the time of your choosing, along with much more time to spend with your guests.

Exclusive use guests often choose to take the whole house the night before the wedding too so you can relax on your wedding day knowing your important guests are already here and take your time getting ready.

The Registrar

We have a small team of registrars who cover the Caernarfon area, all of them lovely and skilled at putting you at ease on your big day. If you wish to book Plas Dinas, you must first check the availability of the registrar for your chosen date. Please call Gwynedd Council's Registry Office Co-ordinator, Mrs Lois Wiggins on 01766 771000.
